The agave is then crushed, fermented and distilled in small batches using traditional production methods. Matured for thirteen months in medium char French and American oak barrels.

WINE of THE MONTH

MURPHY GOODE
Chardonnay

This Chardonnay was made with the thought of coming home from work, putting your feet up, and relaxing with a refreshing glass of Chardonnay in hand by keeping it fruit forward and clean. The barrels are only used to round the wine and add just a touch of richness.

It is a Chardonnay that is quite versatile. It would pair nicely with spicier fare such as a curry as well as lighter seafood dishes.

Regular Price: \$25.80
This Month: \$21.93
