There's a new gin in town!
Frods Gin is making its
Bahamian debut!

A thoughtful mix of nine botanicals, Frods Gin starts with a traditional base of juniper & coriander seed balanced by citrus, florals and spices. Steeped for 15 hours before distillation, the botanicals deliver an aromatic, fresh and floral spirit with elegant notes of jasmine and grapefruit that creates a versatile base for any gin-inspired cocktail..

~ DID YOU KNOW ~

Old wine is expensive, but we all know that!

Did you know that one of the most expensive wines in the world is the Chateau Margaux vintage 1787? A single bottle of this tippie has been priced for approximately \$500,000!

Think you had a bad day? In 1989, a waiter knocked over a bottle of this exact wine and shattered it to pieces. Insurers ended up paying out \$225,000 for the broken bottle!

WINE of THE MONTH

**BOUCHARD PÉRE
ET FILS**
Meursault

One of my very favorite white Burgundy offerings that we have, Meursault is well worth every penny.

This rich and buttery chardonnay is perfect for a fish course or a creamy pasta dish. This is a wine that doesn't need food to back it up though so you can certainly enjoy this on its own too!

This is a wine to take a seat to and savor every sip!

Regular Price: \$64.50
This Month: \$58.05
