## SPIRIT of THE MONTH

### SCRAPPY'S Firewater Tincture

Perfect for adding clean hint of spice and heat to any drink or dish without compromising the integrity of the base ingredients. The heat of habanero peppers are balanced with delicate floral notes, and subtle sweetness.

Think of bitters as the salt and pepper seasoning of your cocktail... However, in this case, use sparingly, as the Firewater Tincture is extremely spicy!

## WINE of THE MONTH

### LOUIS PICAMELOT Cremant de Bourgogne Blanc de Blancs

What better way to celebrate the re-stocking of your home-bar than with some bubbles?! This Cremant is one of our top sellers, and for a good reason - it's crisp and delicious!

The colour is a vibrant pale green straw. Palate reveals a lovely fruit-driven sparkling wine, nice refreshing white peach and green apple fruit. Fairly rich dry palate, and dried honey that blends well with the subtle yeasty character.

**Normal Price: \$19.60**

**Sale Price: \$17.64**
