## WINE of THE MONTH

### RONGOPAI Sauvignon Blanc

New Zealand produces some of the best, and most popular, Sauvignon Blancs and Rongopai is no exception.

The wine has a soft smokey perfume with a touch of mandarin. It has a finely textured and generous palate with a crisp and aromatic finish. Flavours include citrus, melon and a touch of sweet garden herbs. This really is an ideal wine for The Bahamas as it pairs excellently with white meats and seafood!

# Ferrarelle®

Ferrarelle sparkling water is the newest product to be added to the Young's portfolio. It is 100% Natural and 100% Italian.

Ferrarelle sparkling natural mineral water springs from an ancient unique volcanic source located in the territory of Riardo in the south of Italy, near Naples.

Rain water falls on the extinct Roccamonfina volcano and flows slowly through the underground rock layers for more than 30 years. Its composition in minerals is constant and unchanged since its origins.

This historical journey gives Ferrarelle its authentic and unique taste. The perfect compliment to any meal, enjoy Ferrarelle with your next culinary experience!

## SPIRIT of THE MONTH

### HAYMAN'S Old Tom Gin

This delicious gin is rich, rounded and versatile in flavour. The name "Old Tom" began with the "Tom Cat" (a nickname for a male cat) which was used to signal the availability of gin during the Gin Craze of London in the 1800s. You'd look for a sign with a "Tom Cat" in the street and would then insert a coin into the paw/mouth, whisper the sacred 'puss puss', and down from a lead pipe your helping of Gin would appear. Thus Old Tom became the affectionate nickname for gin!
