## WHO SAYS HALLOWEEN IS JUST FOR KIDS?

Visit our Sandyport Boutique and browse our selection of locally-made, premium, hand-crafted Bootleg Chocolates!

Here are some of our pairing suggestions:

### **Chocolate Caramels with Bahamian Sea Salt**

Dark rums often compliment the caramel & milk chocolate notes.

*We recommend: Plantation XO 20th Anniversary Dark Rum*

### **Milk Chocolate Tingum Bar w/Toasted Almond**

Pair this round milk chocolate with a rich, oak-aged chardonnay that can subtly elevate the nutty almond flavours.

*We recommend: Bouchard Pere et Fils Meursault*

### **Milk Chocolate Bar - Peanut Crunch**

Think PB&J... for adults! A jammy gamay or shiraz is a wonderful compliment to the creamy and crunchy peanut butter!

*We recommend: Villa Ponciago Beaujolais Villages*

### **Dis Bar Solid! Dark Chocolate**

The bitterness of the dark chocolate pairs nicely with a semi-sweet tawny port which adds complexity and fruity/nutty notes.

*We recommend: Warre's King Tawny Port*
