## WINE *of* THE MONTH

### WILLIAM FEVRE Petit Chablis

Made from 100% Chardonnay this light, dry white wine has just the right amount of lip-smacking acidity and refreshing minerality you'd expect from the Chablis region. These brilliant characteristics are complemented by a balance of fruity and floral notes, which are highlighted by the fact that this wine does not spend any time ageing in oak — just a few months in stainless steel vats to preserve freshness.

Without a doubt this is a perfect match for oysters or your next seafood dish.

Regular Price: \$33.00

This Month: \$29.70

## WE ARE COMING EAST!

This Spring we are opening our newest retail location in the Cotton Tree Plaza on East Bay Street.

We are so excited to provide a convenient location to better serve our customers who find themselves shopping on the Eastern end of the island.

We have a bit of work to do to give it our classic Young's Fine Wine "flare" but we look forward to opening soon and being able to offer you another beautiful location to shop for all of your favourites.

Stay tuned to our social media pages for updates and our announcement of the GRAND OPENING!

Cheers!

## SPIRIT *of* THE MONTH

### LOS SIETE MISTERIOS Doba-Yej Mezcal Joven

Los Siete Misterios was founded with the intent of keeping traditional mezcal production at the forefront of the mezcal industry. Their Doba-Yej is an artisanal, unaged mezcal made from the agave Espadin varietal and distilled in copper pots.

You'll be greeted with fruity notes on the nose, with some of those translating to the palate, along with fresh cut grass and a long spicy finish. Swap it in for a smokey twist on your next Margarita or Moscow Mule.

Regular Price: \$55.00

This Month: \$49.50
