SPIRIT of THE MONTH

GIFFARD
Triple Sec Liqueur

Since 1885, four generations of the Giffard family have worked hard to continuously provide the world with quality liqueurs and syrups.

To craft this classic liqueur, Giffard uses neutral spirit and sugar, both obtained from sugar beets, in combination with orange distillate and a small amount of lemon essence, to achieve the perfect blend of citrus notes. Bursting with flavour, this liqueur is an essential ingredient for the perfect Margarita.
