## SPIRITS of THE MONTH

### Tequila Ocho

One of the few tequilas still made slowly in the old fashioned way, Tequila Ocho is a fine quality spirit which accentuates that which is exclusive to tequila, the agave flavor. Ocho is the first tequila to designate both the year it was produced and the precise field from which the family grown agaves were sourced. Each batch comes from a different field or rancho contributing it's distinctive characteristics of that place.

Regular Price:  
\$43.00 - \$129.00

## SPIRITS of THE MONTH

### Illegal Mezcal

Illegal Mezcal Añejo is produced from wild Espadin Agave and slowly roasted over a specially-crafted rock pit in order to absorb rich flavors of earth and wood smoke. The agave is then crushed, fermented and distilled in small batches using traditional production methods. Matured for thirteen months in medium char French and American oak barrels.

Don't miss out on this delicious, smoky spirit!

Regular Price:  
\$43.00 - \$90.30  
This Month:  
\$36.55 - \$76.75
