WINE of THE MONTH

VILLA PONCIAGO Fleurie La Réserve

Made in the heart of the Beaujolais, an area located just south of Burgundy, this wine is produced in the area of Fleurie, which is dominated by volcanic rock and rich, dense soils.

The Gamay grape thrives in this area and produces wines of wild character and also effortless lightness. Notes of red fruit and light flintiness to the wine make it perfect for richer fish dishes.

~ DID YOU KNOW ~

..... GLENGOYNE

Glengoyne has been continuously in operation since its founding in 1833 at Dumgoyne, north of Glasgow, Scotland. Glengoyne is unique in producing Highland single malt whisky matured in the Lowlands. Located upon the Highland Line, the division between the Highlands and Lowlands of Scotland, Glengoyne's stills are in the Highlands while maturing casks of whisky rest across the road in the Lowlands. Glengoyne does not use peat smoke to dry their barley, but instead uses warm air.
