WINE of THE MONTH

FUGUE DE NENIN
1999

Fugue comes from the sandy clay soils in Bordeaux found in the eastern part of the Château's vineyards, as well as from the young vines planted on the great plateau terroirs. This second wine is a typical example of the charm of Pomerol. The wines are smooth and silky and can be enjoyed earlier than those of the Grand Vin. This wine is made up of 90% Merlot and 10% Cabernet Franc, making this a refined, full bodied wine with round tannins and a fresh finish.

Regular Price: \$64.50
This Month: \$58.05
