PANIZZI
Vernaccia

We are excited to introduce you to a rarely known wonderful white varietal called Vernaccia.

Vernaccia is a white Italian wine, produced in and around the town of San Gimignano in Tuscany. Since the Renaissance, it has been considered one of Italy's finest white wines. It is also the first Italian wine to be awarded DOC status in 1966; but in 1993 it was upgraded to DOCG!

WINE of THE MONTH

**BOUCHARD
PÈRE ET FILS**
Meursault “Les Clous”

Meursault is one of the finest white wines Burgundy has to offer. The Les Clous vineyard is an amazing example of what Bouchard has to offer.

It hits you with an intense bouquet of fruit and flowers combined with a delicate mineral hint. A rich and subtle taste but it is also crisp, which makes it very balanced. This would be wonderful with a bit of snapper or grouper!

Regular Price: \$73.10
This Month: \$65.79

~ DID YOU KNOW ~

What is “Terroir”?

You may hear this term a lot when people explain wine. If you have no idea of what it means, don't worry you're not alone! The word doesn't have a literal translation to English, but a more loose definition would read something like this:

The symbiosis of grapes, soil, climate, vineyard placement, and human touch, all rolled into one. Burgundy is all about “terroir” – it's not just the taste of rocks. – Hilarie Larson

WINE of THE MONTH

WILLIAM FEVRE
Chablis Domaine

If you are looking for a beautiful crisp white wine for those sunny Summer days, look no further than Chablis.

This wine has very little oak as only 5-10% of the harvest is aged in oak barrels. It carries a fresh bouquet with notes of citrus and white fleshed-fruit. Fresh and supple, the wine is marked by mineral notes that are typical of the appellation. A great bottle to have with a fresh catch!

Regular Price: \$34.40
This Month: \$30.96
