## SPIRIT of THE MONTH

### TROMBA Tequila Reposado

Tromba gets its name from the intense rainstorms of the Jalisco highlands that nourish its famed agave. It also represents an energy and rejuvenation that fuels the passion of its founders.

Warm, toasty and bold! Tromba Reposado's light golden colour is the natural result of the ageing process. No caramel, flavouring or recharged barrels are used to create the colour and soft warm taste. Reposado is a favourite in Mexico, enjoyed neat or on the rocks!

Regular Price: \$47.60  
This Month: \$42.84
