SPIRIT of THE MONTH

COCCHI Extra Dry Vermouth

Cocchi Vermouth di Torino Extra Dry was developed for the 130th anniversary of Giulio Cocchi.

The base wine is a Cortese, flavoured with lemon peel, Piedmontese mint, absinthe, angelica, coriander and cardamom: the result is a fragrant and perfectly balanced flavour.

This vermouth was created to enrich classic cocktails such as the Martini. You can also try it over ice with Fever-Tree Elderflower Tonic Water for an easy and tasty recipe.

Regular Price: \$33.00
This Month: \$29.70
