## SPIRIT of THE MONTH

### CAPPELLETTI Aperitivo

Hailing from Italy, Aperitivo Cappelletti has been made by the same family for over 4 generations. It is an artisanal wine-based aperitif made mostly from the Trebbiano grape. The wine base gives this aperitif a softness and complexity you won't find in similar products. Flavours are both sweet and herbal, with bitter and expressive notes of citrus peel on the finish.

Aperitivo Cappelletti is very versatile and can be used to spruce up a variety of different cocktails!

Regular Price: \$22.00  
This Month: \$19.80
