Kamalame Cay *The New Season Is Here!*

The monthly luncheon at the exquisite Kamalame Cay is one of our favourite event series of the year, and this new season, which had its inaugural luncheon this last Saturday, promises to be a treat!

The luncheons celebrate gracious island living with a singular afternoon of dining on incredible food, dancing to some great tunes and, of course, drinking some delicious cocktails by **Bon Vivants** and wine pairings by **Young's Fine Wine!**

It's the kind of experience that reminds us why life in The Bahamas is best enjoyed slowly, beautifully, and with a glass in hand.

See this season's remaining Luncheon Series dates below. Tickets can be purchased at www.kamalame.com/the-luncheon
