CATENA ZAPATA: *MOST ADMIRED WINE BRAND 2026*

Catena Zapata has once again been named The World's Most Admired Wine Brand of 2026 by Drinks International, marking its second consecutive year at the top.

The ranking is determined by an international academy of industry experts and considers quality, consistency, value, branding, and sustainability - all areas where Catena continues to lead.

Under the direction of Laura Catena, the family-owned estate has become a global benchmark for Malbec. From the high-altitude vineyards of Mendoza, Catena has spent decades elevating Argentine wine onto the world stage. This recognition marks the third time the winery has taken the #1 spot, alongside multiple years ranked among the top three globally.

Young's Fine Wine is proud to carry a range of Catena wines, from their signature Malbec, Cabernet Sauvignon and Chardonnay, to standout selections like Malbec Argentino, Nicolas Catena Zapata and wines from Adrianna Vineyard, all true expressions of this world-class producer.
