WINE *of* THE MONTH

RIDGE VINEYARDS
Three Valleys

This month, we're highlighting California's character with Ridge Vineyards' Three Valleys.

A Zinfandel-led blend sourced from Sonoma County, this generous red offers aromas of ripe blackberry, dark cherry and spice, followed by flavours of dark fruit, pepper and subtle oak. Its vibrant fruit character is balanced by supple tannins and a lingering finish.

Versatile and made for sharing, it pairs beautifully with lamb, barbecued ribs and roast beef.

Regular Price: $60.50
This Month: $54.45

Did You Know?: Burgundy

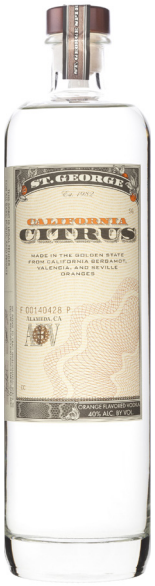

Soon, members of the Young's Fine Wine team will be heading to Burgundy, one of France's most historic and celebrated wine regions, renowned particularly for two grape varieties: Pinot Noir and Chardonnay.

Burgundy's wine landscape encompasses numerous distinctive appellations, each offering its own expression of these grapes. Chablis, in the northern part of the region, is celebrated for its crisp, mineral-driven Chardonnay, while the Côte de Beaune produces some of the world's most sought-after white wines.

For red wine lovers, the Côte de Nuits is equally remarkable, producing elegant and complex Pinot Noir from prestigious appellations such as Gevrey-Chambertin and Vosne-Romanée.

At the pinnacle of Burgundy's vineyard classification are its Grand Cru vineyards, representing some of the region's most exceptional sites. We're proud to represent distinguished Burgundy producers including Bouchard Père & Fils, Albert Bichot and William Fèvre, as well as the historic Grand Cru estate Clos de Tart, among many other celebrated names from this remarkable region.
